

Amendments to the Specification:

On page 1 of the specification, after the title please add the following paragraph:

Cross-Reference to the Related Applications

This application is a national phase of PCT application No. PCT/JP2005/001545 filed January 27, 2005, which also claims benefit of priority under 35 U.S.C. § 119 to Japanese Application No. 2004-21174 filed January 29, 2004 and Japanese Application No. 2004-96814 filed March 29, 2004, the entire contents of which are incorporated by reference.

Please replace the paragraph beginning at page 9, section [0018], with the following rewritten paragraph:

A mold according to the present invention is formed by combining a bottom surface member and ~~four a plurality of~~ lateral surface members abutted against the bottom surface member, in which an engaging structure ~~comprising a recess and a projection for engaging the adjacent lateral surface members for fixing the adjacent lateral surface members to each other~~ is provided on a side of each of the lateral surface members.
